

The map shows a network of roads and land parcels. A main road runs diagonally from the bottom left towards the top right. Three study plots are highlighted with red outlines and labels: Plot 1 is located near the bottom right, adjacent to the main road; Plot 2 is located in the center, slightly above Plot 1; and Plot 3 is located at the top, further from the main road. The surrounding area includes various land parcels, some of which are shaded in light grey, and a cluster of buildings in the upper right corner.
